North Beach Sewer Rehabilitation Project

Project Advisory: Friday, Nov. 3, 2023

What's Happening

The City of Miami Beach contractor, Vortex Companies, is currently performing rehabilitation work on the gravity sanitary sewer pipes and manholes that service North Beach.

A sewer-grade lining will be installed on the inside of the existing sewer pipes to create an internal pipe that extends the useful life of the sewers to ensure proper functionality of the sewer system in the area. The work is intended to take place through the access sewer manholes.

This initiative is one part of the overall action plan aimed at improving water quality throughout North Beach. To learn more please visit

www.mbrisingabove.com/waterquality.

Timeline

Rehabilitation work is ongoing. Working hours are Monday - Friday from 8 a.m.- 6 p.m.

What to Expect

- **Please minimize water usage between the hours of 8 a.m. to 6 p.m. Avoid using high-volume water sources such as washing machines, showers, baths or dishwashers as much as possible during this time.**
- **You will receive a door hanger 48 hours prior to work commencing in your area.**
- **Limited bathroom usage is permitted.**
- Crews, trucks and equipment will be on-site during this time accessing the manholes in the street, parking spaces, and on occasion in yards.

- Parking spaces adjacent to manholes will need to be accessed.
- **Please adhere to the "NO PARKING" signs and refrain from parking in these spaces. Vehicles parked in "NO PARKING" spaces will be towed at the owner's expense.**
- Sewer service will be interrupted while work is being completed in your area. Potable water service will be available.
- If the property has a sump pump connected to the sewer system, please unplug it during the installation process.
