Webinar ID: 876 2999 9648

**\*\*Please note that Committee members are required to attend in person\*\***

---

### Call to Order/Roll Call

### Committee Business

- 1) Approval of Minutes
- 2) Discuss City Commission Item R5 S 1st Rdg, Expand Stop the Pause Ordinance - Joseph Centorino, Inspector General and David Gomez, Office of Capital Improvement Projects Director (see attached Agenda Item R5 S from February 25, 2026 City Commission Meeting)
  - a. Miami Beach United Resolution for R5 S (Stop the Pause, see attached LTC): While MBU SUPPORTS this ordinance, we believe it should also include additional stipulations that even after a project has reached the 60 percent design phase, there is adequate resident information, opportunity for input and feedback, and timely, full response to any issues brought forward by affected residents, businesses, or neighborhood associations.
- 3) West Avenue Project Updates/News
- 4) Sunshine Law Review
- 5) Future Committee Topics/Focus Discussion

### Public Comment

### Adjournment

## **Neighborhood Resiliency Projects Advisory Committee**

### **Committee Members**

Clare McCord, Chair  
Curt Dyer, Vice Chair  
Julie Basner  
Stephan Ginez  
Karin Matos  
Barbara Montero  
Ronald Starkman

### **Committee Purpose**

The purpose of the Neighborhood Resilience Projects Advisory Committee is to act as an advisory board to City Commission and City Manager on neighborhood infrastructure programs and private property matters related to the City's resilience projects. This includes helping build awareness of existing and future projects within the community and seeking resident ideas and feedback to improve the planning and delivery of future projects. The Committee will not advise on matters that have specifically been reviewed by the City Commission to avoid creating fiscal impacts or undue delays in the implementation of critical resiliency projects.

### **Powers and Duties**

The Committee shall have the following powers and duties:

- (1) Provide advisory recommendations and feedback on best approaches to enhance resident education and resident engagement.
- (2) Provide advisory recommendations and feedback regarding process improvements for flood mitigation.
- (3) Share input and evaluate general neighborhood aesthetics and utility and infrastructure improvements, such as location decision criteria for pump stations or other improvements.
- (4) Provide a forum for the Committee to share best practices and lessons learned from completed projects and/or ongoing projects, for potential incorporation as part of future projects.
