

Seawall Contractors

The City of Miami Beach has engaged the contractors listed below to perform work for city construction projects (i.e., projects on City-owned or City-leased land). The list is being provided for property owners who may be considering seawall replacement or maintenance. The contact information on this sheet is for informational purposes only. The City makes no claim, or warranty or representation, express or implied, as to the workmanship, credibility, reputation or safety record of any contractor identified herein. The City assumes no responsibility or liability for any loss or damage suffered by any person as a result of the use or misuse of any of the information or content on this website.

The City strongly recommends that any person or entity desiring to engage any contractor for any construction-related work (whether such contractor is listed below or not), conduct its own due diligence as to the selection of the contractor, the proposed work to be performed by the contractor, or the reasonableness of the contractor's terms or conditions. Any agreement that any individual or entity enters with any contractor listed below shall be a private matter between the individual/entity and contractor, and the City shall not intervene on behalf of either party.

The following businesses have been authorized through the procurement process to conduct public seawall work for the City of Miami Beach.
