

Miami Beach Rising Above Grants

The City of Miami Beach is pleased to announce a grant opportunity for organizations with a focus on environment, sustainability, and resilience. The city is seeking community-based organizations with the experience to undertake innovative projects or programs which can include but are not limited to:

- Restoration/conservation of wildlife or habitats
- Energy efficiency and/or renewable energy
- Waste reduction, recycling, and/or repurposing
- Low impact development/green infrastructure
- Marine Environments
- Environmental Justice
- Water Quality
- Outreach and Education

Available Funding

The city will award a total of **\$110,000** to be distributed amongst several organizations. Each proposal can request a maximum of \$30,000. The city, at its sole discretion, reserves the right to amend the distribution of funds and project/program scope.

Funding Priorities

Applicants are encouraged to focus on two or more of these priorities:

- Sustainable innovation
- Biscayne Bay
- Environmental Justice
- Social Equity/Impact
- Youth Engagement
- Environmental Stewardship
- Climate Change Mitigation or Adaptation

Geographic Area

All projects shall focus on or take place in the limits of the City of Miami Beach.

Metrics

Projects must provide outcomes and metrics that will be used from the inception to completion of the project or proposal.

Eligible Applicants

Eligible applicants are non-profit organizations registered in the State of Florida as eligible to conduct business. Applicants must be properly licensed to do business in the City of Miami Beach and Miami-Dade County and meet insurance thresholds prior to the award of funds.

Application Information

Applicants must complete the application in its entirety and include the delineated attachment documents. Incomplete applications will not be considered.

Required Attachments:

- Project budget
- Document(s) indicating non-profit status

Submit all questions and applications to: sustainability@miamibeachfl.gov

Applications must be submitted by 5:00 PM on August 20, 2021.
