

MIAMIBEACH

OFFICE OF THE CITY MANAGER

NO. LTC# **409-2021**

LETTER TO COMMISSION

TO: Mayor Dan Gelber and Members of the City Commission

FROM: Alina T. Hudak, City Manager

DATE: September 28, 2021

SUBJECT: Miami-Dade County Beach Erosion Control and Hurricane Protection Project Update

I am pleased to announce that the U.S. Army Corps of Engineers (USACE) will begin their next beach renourishment project in the upcoming weeks. This \$40,468,000 project is fully funded by the federal government and will address the erosional hotspots in the vicinity of 64th Street, 55th Street, 46th Street and 27th Street. The City will be hosting a virtual public meeting on October 7, 2021 at 5:30 p.m.

BEACH RENOURISHMENT PROJECT VIRTUAL PUBLIC MEETING

Join the City of Miami Beach, Miami-Dade County, and the U.S. Army Corps of Engineers for a virtual public meeting on the upcoming Beach Renourishment Project slated to begin in November. The project will deliver vital improvements to the beach in the vicinity of 27, 46, 55, 64 streets.

Thursday, October 7 at 5:30 p.m.

The contractor, Continental Heavy Civil Corp, will be trucking in approximately 835,000 cubic yards of sand from an inland mine in central Florida. The contractor is finalizing the construction submittals and schedule with the USACE and it is anticipated that the contractor will begin mobilization by the end of October and construction will commence in November. The contractor will begin work at 64th Street and once this section is complete will move to the next section. The project is estimated to be complete by April 2023. Updates will be provided as details regarding the schedule and construction timeline are received.

Any questions related to the project please contact Assistant City Manager, Lester Sola.
