

# SEA TURTLE LIGHTING WEBINAR

Wednesday, March 24th  
1:00 PM - 4:00 PM

Hosted by Miami-Dade County

Photo by Barbara Selles

An **opportunity** to learn more about **sea turtles**, how they are affected by **artificial light**, and how **your decisions** can make a **positive difference**!

Presentations by Florida Fish and Wildlife Conservation Commission  
and Sea Turtle Conservancy

Coastal municipalities within **Miami-Dade County** are invited

Participants earn 3 credit hours towards Florida Association of Code Enforcement (FACE).
